OVERVIEW

Bangalore is surrounded by many splendid hills and hillocks waiting to be explored. If you want to check them one by one, you must surely add this to your bucket list. Uttari Betta, the fortified hill known as Hutridurga in the south-east of Kunigal taluk, is the most popular trekking trail in Karnataka, and that is without reason because of the magnificent beauty it possesses Uttari Betta.

This popular trekking trail of Karnataka is a five-kilometre climb that treats adventurers with stunning views that imprints their minds for the rest of their lives.

This trek is a super master of scenic views and thrills you with the historic fort walls and intricate stone steps. An interesting fact is that this hill fort is said to have eight gateways from the foot to the summit in addition to the other several outer gates.

What waits on the top? The trek summit delivers the temple of Shankareswar, where one gets an extensive view of the landscape dotted by many hills.

This exclusive sunrise trek with Plan The Unplanned takes you right into the middle of nature with the help of caves, jungles, and huge boulders that will make you marvel at the immensity of life.

It ensures that the trekkers feel at one with the abundant wildlife and vegetation its path offers. So if you want to belong entirely to nature, come along on this trek and get to be a part of something bigger than all of us.
