Overview

The Kaas Plateau, also known as Kaas Pathar, is a stunning biodiversity hotspot located in the Western Ghats of Maharashtra, India. It is renowned for its unique seasonal wildflower bloom that covers the plateau in vibrant colors during the monsoon season, typically from late August to early October. The Kaas Plateau is a UNESCO World Natural Heritage Site, recognized for its rich flora, including over 850 species of flowering plants, some of which are rare and endemic to the region.

The plateau spans around 1,000 hectares at an altitude of approximately 1,200 meters (3,937 feet) above sea level. The area is characterized by a lateritic soil that supports a wide variety of plant species. Apart from flowers, Kaas Plateau is also home to numerous species of insects, birds, amphibians, and reptiles, making it a haven for nature lovers and photographers.

Straight to the point ,Go for Maharashtra Desha without having second thoughts. MD is the best Travel company. All the leaders are professional and friendly simultaneously. As a solo female traveller I would highly recommend MD to all the females out there who want to explore the offbeat places without worrying about there safety. They have keen observation on the requirements of each and every member of the trek. They create the friendly environment so that none is left out of the enjoyment and creating memories. These people are the best. Been on 3 treks with them till now, and definitely many more to go. ❤️

The one thing to tell is the organisers. They are amazing and very cooperative. And overall the **trip** was very nice. Feeling relaxed and cherished to go for our daily routine. And also we got new friends with them we didn't feel that they are strangers to us. Thank you Maharashtra Desha for all this trip.

My backpacking experience with Maharashtra Desha Adventures in Karnataka was absolutely fantastic. Our Trek Leader, Mayuresh, was not just a skilled leader but also a friendly and approachable person, which created a wonderful camaraderie within the group. He made sure we reached our destination safely and had an amazing time along the way.

Furthermore, I was thoroughly impressed with the food and travel arrangements made by the Maharashtra Desha Adventures team. The meals were delicious, and the travel logistics were well-planned, contributing to the overall smoothness of the trip.

In conclusion, I had an unforgettable experience with Maharashtra Desha Adventures, and I highly recommend them to anyone seeking an adventure and fun time. This trip was made memorable not only by the stunning landscapes but also by the outstanding leadership and meticulous organization facilitated by the team.

A very good and responsible travelling company. I did 2-3 solo adventures with them consisting of treks and Murudeshwar backpack tour and I really enjoyed a lot. As I was travelling solo, I was bit nervous initially. But I made new friends in these adventures. It was completely a very different and one of the great experience I had in my life. Everything was very well organized. Tour leaders themselves are very experienced people and also very cooperative. They made sure that we enjoy every moment fully without thinking about any other thing. Their commitment to make tour memorable is something I loved a lot. Also they provide everything at affordable cost which is also something I found great about. If you want to do offbeat adventures, treks and backpack tours then Maharashtra Desha is your answer without second thought. They take care of everything.
