Overview

About Kedarnath Dham

Kedarnath is one of the holy and the most sacred pilgrim abode of Lord Shiva who is considered the embodiment of all passions - love, hatred, fear, death, and mysticism which are expressed through his various forms. It is situated in the Rudraprayag district of the Garhwal region in Uttarakhand and every year thousands of pilgrims visit this place to seek blessing from Lord Shiva. It is one of the Char Dhams in Uttarakhand and is regarded as the most important among the Panch Kedar. This holy abode is positioned at an altitude of 3,586 meters with the mesmerizing backdrop of the magnificent Kedarnath range near the gorgeous river Mandakini, Kedarnath is one of the twelve Jyotirlingas of Lord Shiva. Even the name of this shrine also has a strong meaning "Kedar" which means powerful which is another name of Lord Shiva, the protector, and destroyer. The spectacular aura, snow-clad mountains, and breathtaking landscape makes the Kedarnath trek even more interesting and hence people visit in large numbers every year. Kedarnath is one of the important pilgrimages of Lord Shiva but there are more than 200 shrines dedicated to Lord Shiva in the area itself. So, plan your visit to Kedarnath...!!

Yesterday did Sandhan Valley Trek with Maharashtra Desha. Sandip, Amol, Jay, Siddesh and their team is Wonderful and we'll managed. Started on time and finished on time. Most of members in team were going to do Rappelling 1st time including me. But so well handled and managed that we did not realize it was our first time.

Thanks, Jay Siddesh, Sandip, Amol and Siddesh for giving this unforgettable lifetime memories. Eagerly awaiting your announcement of next trek.

Will be doing more Technical Treks with this Maharashtra Desha Team.

Bhairavgad is one of the most exciting and adventurous treks in Sahyadri. I went for Bhairavgad trek last weekend with Maharashtra Desha Trekking Group, it was my only experience with them. The whole experience is very beautiful. The trek includes hang over points and many difficult rocks but all the trek leads were very friendly and guided very well. The trek is dangerous for beginners and average trekkers but Maharashtra Desha Trekking Group has provided all the safety equipment so we did it easily. While descending we did rappelling and it was a wonderful experience.. I would highly recommend Maharashtra Desha Trekking Group.....
