A very good and responsible travelling company. I did 2-3 solo adventures with them consisting of treks and Mururdeshwar backpack tour and I really enjoyed a lot. As I was travelling solo, I was bit nervous initially. But I made new friends in these adventures. It was completely a very different and one of the great experience I had in my life. Everything was very well organized. Tour leaders themselves are very experienced people and also very cooperative. They made sure that we enjoy every moment fully without thinking about any other thing. Their commitment to make tour memorable is something I loved a lot. Also they provide everything at affordable cost which is also something I found great about. If you want to do offbeat adventures, treks and backpack tours then Maharashtra Desha is your answer without second thought. They take care of everything.
