Thank you #Kayakers for a wonderful experience of Kayaking 💎 You have a great and enthusiastic team in line. I would specially mention and thank Varsha for her outstanding efforts throughout the day and Mangesh for keeping everything organised. For me this was the best outing in Pune. And the only reason I rated 4 was the bus; which could have been better rest from Food, Refreshment, Sport Experience and Trainers you guys have nailed it in each way.

Excellent adventure group with excellent people. The best thing about this group is that all the organizers and the fellow experienced trek mates take along everyone with them. Whether you are a first time trekker or a pro. If you are here, they will make sure you complete that trek with utmost satisfaction on your face. I have done many treks with them and forward for more adventure... :)

The Kayakers, this is the team of camaraderie. Every person has unique skills and they are the aficionado. Sunil is expert in kayaking & trekking, Mangesh is master in trekking and mountaineering, Amar is kayaker too and an expert in photography.

Since one year I'm attending events with them. My first event was Kayaking where I learned the basics of kayaking. I took Monsoon Gold pass last year and attended more than 12 events. Every trek is very joyful, I use to enjoy that amazing nature view, photography and had delicious food as well. The most amazing trek was Bhimashankar via shidi ghat.

I also attended Sandhan valley but didn't learn much technical things due to the crowd, learned a lot of technical stuff in AMK trek. I clearly got how to do abseiling, still I need to learn more about rock climbing.

If you are attending an event with Mangesh and Sunil you're lucky, they will explain the history of the place and technical things very clearly. I got this chance in AMK trek.

I wish the ninja team a great success in future days and keep up the spirit.

It was my first time Kayaking but definitely not the last ! If you're looking to improve your kayaking skills or it's your first time in a kayak, I highly recommend checking out The Kayakers. The location to learn Kayaking is excellent, beautiful views and calm water.

I learned a lot and feel much more comfortable and safe in a kayak with the help of Instructor (Sidharth). Sidharth was very capable and knowledgeable as well as patient and encouraging, I can't thank him enough to help me for coming in the river! He was very Keen to have a safe and fun time and highly supportive. The equipment is well maintained.

The staff was very helpful and prompt in response in case u want to know the location or any other information.

I would highly recommend the kayakers..and looking forward to visit again soon...!

Keep up the good work guys..!
