ABOUT YOUR HOSTS

Our Story : Travel Tribes

Travel Tribes was born out of a simple idea - to create a space where solo travelers, adventurers, and thrill-seekers could come together and experience the world differently. It all started in 2021 with a trek that changed the way we look at travel. Inspired by the connections made, the beauty of exploring hidden gems, and the magic of living in the moment, we wanted to build a community that shared these values. And that's how Travel Tribes began.

Since then, our tribe has grown into a vibrant community of over 26,000+ explorers on Instagram, with 10,000+ active travelers and 1 million monthly profile visits. We're not just about ticking off destinations; we're about finding those rare places that take your breath away, making lifelong friendships, and truly vibing with the people around you.

At Travel Tribes, we believe travel is more than just a getaway - it's a way to refresh your soul, disconnect from the mundane, and experience life in its raw, unfiltered form. Whether it's a weekend trek, a Himalayan expedition, an international adventure, each journey is designed to help you reconnect with nature and yourself.

But here's the thing: Travel Tribes isn't for everyone. We're selective about who joins because we value energy, authenticity, and a love for exploration. Our trips are for those who dare to live in the moment and truly appreciate the power of a good vibe with good people.

So, whether you're a solo traveler looking for your next adventure or someone who wants to vibe with a like-minded community, Travel Tribes welcomes you. Come discover the places you've only dreamed of, meet your tribe, and create stories that last a lifetime.
