

PARAGLIDING AT KAMSHET

About This Experience

If you can jog 2-3 meters, you can fly with us! After a 10 min briefing, our professional tandem pilot will take you into the air for a flight that lasts from 15-30 min depending on flying conditions. The passenger and the flight instructor each have their own comfortable harness. You are then connected together and finally connected to the glider. Few minutes later, you are airborne! Once in the air, your flight instructor will explain to you what he is doing and how paragliders fly. If conditions permit, you may be offered hands-on control of the glider.
