

Sakleshpur Trek

About This Experience

If you are looking forward to a short weekend getaway from Bangalore to relax and unwind, this quaint little town in the western ghats of Karnataka does just that for you! Surrounded by lush green coffee plantations and a spice garden with views of many hills and valleys, the pristine ambience of this place will take away all your worries. The sub-tropical climate and heavy rains during the rainy season have created an environment that has a wooded forest, clear streams and a variety of flora and fauna. This beautiful hill station is not only famous for its scenic beauty and amazing weather but also its fantastic trekking trails.

Join us for a relaxed weekend at Sakleshpur as we shall head out to explore the trails of **Sakleshpur** and visit the historical **Manjarabad fort** and the exquisite **Abbi falls**. The trek, as we would like to call it, "the Panoramic 360° view trek", is relatively simple and is about 3 hours. We walk along the jeep trails until we reach a narrow path that we ascend to reach a comprehensive clearing from where you'll find a few smaller peaks that can be explored. We shall start Day 2 by visiting the beautiful Abbi falls, nestled in the lush green between coffee estates. It is a popular tourist spot and is a 1km walk to the falls! Some small mountain streams and Brooks join together, and the waterfalls from a small height of 35-40feet to form the enchanting Abbi falls. Next, we will explore the beauteous and magnificent **Manjarabad fort**, an 18th-century fort built by Tipu Sultan. This star-shaped Fort has a very picturesque appeal!

You shall be relaxing at a homestay amidst coffee plantations giving you very relaxed vibes. A river flows close to the homestay, and you can chill alongside the riverbed. All in all, it's a perfect place to unwind and get in touch with nature and yourself!
