ABOUT YOUR HOSTS

Our Story : TraWork

TraWork is an idea that centres around travelling while not compromising on work. An Idea that evolves you from a tourist to an explorer. An Idea that makes you richer from the day you started.

If you are someone looking for the experience of a lifetime, then you are in the right place!

Travel is something where you spend money but only get richer and we've made it our mission to take enthusiastic & like-minded individuals on life-changing journeys.

We are here to make work away from work possible for you. We want to take you on amazing travel journeys and allow you to work from the most exotic locations around the world! And all this in the company of some amazing individuals.

Explore attractive places and choose a trip (or more) which suits you the best. Desert, beaches, mountains, valleys and more, we've covered them all for you. Join us on a journey of a lifetime and make a new country your place of work and living.
