

Upgrade Riding Skills With Hrishikesh Mandke

About This Experience

Triumph is the dreamt by many, owned by few and only fewer know how to handle the beast. It's time that we hit the tracks and polish some riding skills.

You will be learning right from the pro : Hrishikesh Mandke

BU Bhandari has come up with a workshop to upgrade your skills at Mohite Academy. We will be learning the following in the two day workshop.

1. Basic Road & Track Knowledge
2. Braking ABS/ Without ABS
3. Acceleration
4. Corner in & Exit
5. Body Position
6. Knee Down Skill
7. Slide Control
8. Counter Steering
9. Road Manner Riding

This will be followed by a One on one ride orientation with trainer for 2 laps.

Join the workshop to ugrade the skills.

Who Should Attend ?

This is an exclusive workshop for Triumph owners only.

ABOUT YOUR HOSTS

Our Story : Triumph Pune Chapter

Triumph Motorcycles, the iconic British motorcycle brand since 1902, has always set the pace for category winning machines that offer a blend of design, character, desirability and performance combined to create truly distinctive motorcycles.

Our model range for India has motorcycles from all our product families - Modern Classics, Adventure, Cruisers, Roadsters & Supersports.

True to our brand ethos each of the products in the Indian market is dedicated to deliver a great riding experience through the fusion of a well-balanced, easy to handle chassis and strong, flexible engines. The result is an inspiring range of motorcycles delivering usable performance blended with character.
