About This Experience

Winter is a classy season, or at least those of us who love boots, mufflers, and coats believe that it is! Come dressed in your favorite winter garb and let it snow, let it snow, let it snow in a cozy house party at the Gig House!

Did we mention that celebrity stylist Andy will be our Santa and deliver some amazing styling tips to those of us who have been good and perhaps also to those among us who have been naughty with our styling this year!

Our expert, Anand Barve popularly known as Andy, has styled celebrities like Alia Bhatt, Varun Dhawan, Arjun Kapoor and many more. He has also assisted Anaita Shroff and Manish Arora for Vogue India. He strongly believes, "It's not what you're wearing, it's the way you wear it." and he is here to help you with exactly that. Whatever be the occasion, a party, a meeting, a date or just a feel good day, Andy is here to find you the perfect dress and accessories. His quintessential focus lies in making his clients realize a positive body image and helping them discover the best versions of themselves. He will guide you in identifying your Personal Style, Body Shape and the Right Colors, Fabrics, Patterns and Prints.

ADDITIONAL INFORMATION

Our Host :

Mariam, better known as the Persian Ladki, quit her corporate job to do what makes her the happiest- curating experiences and events! She moved to India from Egypt (shouldn't I be the Egyptian Ladki? Well, speaking of Identity crisis) :) She has been curating events since she was in uni, and doesn't seem like she will ever want to stop! She has converted her cozy home into the Gig House where she hosts experiences that are unique. The word has it that she goes above and beyond to ensure her guests have a brilliant few hours, where they leave their worries behind and step into a different world and sometimes even eras and cultures. It's all about the setting she says!
